The success of the conference can be encapsulated as follows :

"Asian Centre for Corporate Governance & Sustainability - MIOD-NCCG International conference was a unique event in the corporate history of Mauritius, which witnessed the pearls of wisdom not only from corporate leaders but also from the political leaders of India and Mauritius. A large number of speakers and delegates from 10 countries distilled this wisdom and co-created fresh ideas for Good Governance & Sustainable development. The outcome of this conference will significantly influence the INTER region as well as INTRA region Governance landscape"

The Mauritius print as well as electronic media covered the conference very prominently.
