About Asian Centre for Corporate Governance & Sustainability:

Asian Centre for Corporate Governance & Sustainability (<http://www.asiancentre.org>) was established on March 14, 2001 as a 'Not for Profit' independent institution, with a vision to become a 'Think Tank' and a 'Catalytic Institution' to bring about qualitative improvements in the Corporate Governance & Corporate Sustainability practices of Asian Companies, optimizing value for shareholders & stake holders in a balanced manner. Playing a strong advocacy role, Asian Centre encourages companies to generate wealth in a socially responsible manner by protecting the environmental capital and ensuring sustainable development of communities and Society. Asian Centre is advised by a Global Advisory Board Chaired by Mr. Mervyn King and many other eminent people from USA, UK, Asia, India and South Africa.

About International Institute of Governance & Leadership:

International Institute for Governance & Leadership (<http://iigl.nl>) is a non profit Foundation (Stichting in Dutch) headquartered at Amsterdam, Netherlands, duly registered with Dutch Chamber of Commerce. The vision of International Institute for Governance & Leadership (IIGL), is to develop extraordinarily passionate, principled & innovative political leaders & policy makers, Corporate leaders as well as civil society leaders. Also to become a global Institute of choice in governance & leadership space, to make a lasting impact on the governance of countries and corporate governance of companies, this will eventually catalyze sustainable development of the communities around the world.
